

EXPO XXI - Newsletter of September 2010:

In this edition of our regular EXPO XXI Newsletter we present you 4 of our member-venues which will be a perfect fit for your exhibition, corporate event, music-event, fashion-event or for your conference:

EXPO XXI Cologne – a stunning modern venue that combines an old, historic building with modern glass and steel architecture – in the heart of Cologne, the vibrant German center of Carnival. View and book this center on www.expoxxi.de

Hypo EXPO XXI Zagreb – the most modern conference, exhibition and event venue in Croatia – located in the heart of its capital Zagreb. This is the place for your conference, your corporate event or your high-image presentation or sales-meeting. Also small exhibitions are welcome. View and book this center on www.hypoexpoxxi.hr

MESSE TULLN – a full size, well equipped exhibition- and event -venue near Vienna in Austria, perfectly located for events organized for central Europe because of its location near to Austria's capital, but also near to CZ, SK, H and SLO – borders and capitals. View and book this center on www.expoxxi.at

EXPO XXI Warsaw – is the most modern exhibition-conference venue in the capital of Poland. Operating since 2001 it has gained a reputation as the preferred venue in Warsaw for the organization of exhibitions, conferences, congresses, seminars, banquets, product launches, fashion shows and concerts. View and book this center on www.expoxxi.pl

Have a look what are the NEWS currently going on in these places:

EXPO XXI Cologne:

From 24th of September 2010 to 20th of March 2011 the center will host the largest and most spectacular exhibition of Egyptian artifacts – the **Tut Anch Amun** Exhibition. It has had excellent critics in other cities – and will be the largest and most spectacular of the tour in Cologne – because the EXPO XXI is the perfect place for it. Have a look at www.tut-ausstellung.com .

HYPO EXPO XXI Zagreb:

On 12th of September the national finals of World Cyber Games (WCG) will be held in HYPO EXPO XXI. Up to 200 players and 3.000 spectators are expected to this super-event. The winners will participate in the great world finals of WCG which are this year held in Los Angeles in the U.S.A.

In October – on 22nd – the EFFIE conference and award ceremony will be held in HYPO EXPO XXI. EFFIE is the biggest event for the professionals of the marketing and advertising community where the most successful campaigns are presented, discussed and finally rewarded with the highly valued awards. Have a look on www.croatiaeffie.com : You can join the award ceremony on 22nd of October at the big auditorium in HYPO EXPO XXI.

Messe Tulln:

is the home of some of the largest and most prestigious exhibitions in Austria – starting from AUSTRIAN BOAT SHOW to POOL & GARDEN and the Austrian lead-event for the agricultural sector – the AUSTRO AGRAR TULLN.

Messe Tulln has just completed the most successful edition of its International Gardening Exhibition ever and is making an attempt to attract more international events from other European - and International Organizers to its infrastructure near the Austrian capital Vienna. It has strengthened its support division and can offer full service for international organizers for a hassle free experience when they come to Tulln and organize their event in the center of Central Europe. Messe Tulln can fit any size of exhibition, conference or event. Have a look at www.gartenbaummesse.at/

EXPO XXI Warsaw:

LIFESTYLE EXPO 2010 - the biggest B2B exhibition highlighting the potential of Asia's manufacturing industry will take place from 21st until 23rd of September at the Warsaw International Expocentre EXPO XXI.

More than 150 Hong Kong and 100 Chinese manufacturers offering consumer electronics, fashion and accessories, household products and electrical appliances, gifts and watches are going to exhibit at EXPO XXI Warsaw.
